September 16th Program Dave Roberts San Diego County Supervisor

As District 3 Supervisor for the County of San Diego, Dave Roberts brings vast experience from the public, private and nonprofit sectors to this position. As a former corporate officer for SAIC, a Fortune 500 Company, Dave also owns and operates his own real estate management company.

Upon his election to the Board of Supervisors, Dave resigned from his position as a senior manager for the Healthcare Information and Management Systems Society, an international nonprofit organization. In that role, Dave drew upon his background as an appointed health policy advisor to President Barack Obama and former President George W. Bush. Dave earned national recognition for reducing costs and improving the delivery of Medicare, Medicaid and children's health insurance coverage. Dave also worked for the U.S. Air Force at the Pentagon and in Europe. He played a key role in developing Tricare, the military's health insurance system.

We are pleased to report that Supervisor Roberts has established an office at the Escondido Chamber of Commerce, 720 North Broadway. Please see Dave's entire biography on our 'Meetings & Speaker's' page.

Please continue to page two.
