October 19th Program

Congressman Duncan D. Hunter

For TERC's October 19th meeting, our speaker will be Congressman Duncan D. Hunter, who represents California's 50th Congressional District in the House of Representatives. Congressman Hunter's district consists mainly of East San Diego County, North San Diego County, and the city of Temecula in Riverside County. Duncan is a native of San Diego, graduating from Granite Hills High School in El Cajon before going on to San Diego State University, where he earned a degree in Business Administration. Soon after graduation, Duncan began working full time as a Business Analyst, utilizing his degree and his experience creating websites and programming databases, while a student at San Diego State University.

Shortly after September 11, 2001, Duncan quit his job and joined the Marine Corps. Between 2002 and 2006, he served two combat tours in Iraq, before running for Congress. In November 2008, Duncan was elected to his first term in the U.S. House of Representatives. He remains the first and only Member of Congress to serve in a direct combat role in both Iraq and Afghanistan with the Marine Corps.

Duncan is a strong conservative whose priorities include a strong national defense; enhanced border security; fiscal accountability and transparency; and protecting taxpayer interests.
