Carl DeMaio

Carl DeMaio, host of The Carl DeMaio Show, heard daily on AM-600 KOGO, is a nationally recognized government reformer, who has built a business and a political career on making broken government programs work again for the people.

At age 23, DeMaio started his first company, Performance Institute, to provide training and consulting solutions to help financially-troubled government entities cut costs while improving performance.

He won a seat on the SD City Council in 2008 and helped turn the city around from the brink of bankruptcy through his 'Roadmap to Recovery' reform agenda.

He will "talk about the financial challenges facing California and San Diego, while offering commentary on the kinds of reforms that could fix the problems..."

He is working on a statewide ballot measure to implement Pension Reform in the State of California..."
