"The budget should be balanced, the Treasury should be refilled, public debt should be reduced, the arrogance of officialdom should be tempered and controlled, and the assistance to foreign lands should be curtailed lest Rome become bankrupt. People must again learn to work, instead of living on public assistance."
~ Cicero - 55 BC

October 17th Program

Ruth Weiss - with Election Integrity Project (EIP)- will be our guest speaker for TERC's lunchtime meeting on Monday, October 17th.

Ruth is doing an exceptional job as San Diego County Coordinator and statewide Director of Education and Training for Election Integrity Project. Ruth works with other volunteers statewide who believe that "...our Republic is a miraculous gift from God and who understand that it is ours only as long as we, in the words of Benjamin Franklin, 'can keep it'."

She believes that with "...active stewardship and citizen involvement in the electoral process, we can once again have fair and honest elections in the State of California..."

As Ruth recently stated: "We, the People, as always, are the only answer to any problem that society may face. Helping to secure a fair and honest election is a high calling indeed."

**WE MUST RISE TO THE CHALLENGE.
NOW IS THE TIME."**
