## October 15th Lunchtime Program

### Assemblywoman Marie Waldron 75th Assembly District

Marie Waldron is a small business owner, mom and experienced elected official. She has served in the California State Assembly since 2012 and is Minority Floor Leader and the Leadership team for the Republican Caucus. She serves on Assembly Health, Governmental Organization and Rules committees. Marie is also Vice Chair of the Local Government committee. Through her work of advocating for patient care and access, she was honored by both the CA Life Sciences Association and the CA Chronic Care Coalition as Legislator of the Year for 2015. Prior to her election to the Assembly, Waldron served for 14 years on the Escondido City Council and multiple boards and agencies. Waldron also served as Escondido's Deputy Mayor, on the Board of Directors and the Budget subcommittee for the North County Transit District, the city's representative to the League of California Cities, the Regional Solid Waste Association Board, and Escondido's Investment, public works and public safety subcommittees. Her commitment to her city was recognized by the Escondido Rotary Club when she was presented their Outstanding Community Service Award.

Marie and her husband, Steve, have owned and operated Top End Tees Screen-printing and Apparel in Escondido for over 20 years. Waldron has also been a member of the Escondido Chamber of Commerce and the Downtown Business Association and many other groups. She served 4 years as Honorary Chairman of the California Business Advisory Council which advocated on behalf of California's small businesses to Congress.

Active in the San Diego region, Waldron was a founding member of the San Diego chapter of CWLA (California Women's Leadership Association), and is a member of the American Legion Auxiliary. The Waldrons have a 16-year old son and Steve is the founder of the successful "Cruisin' Grand" hotrod event held in downtown Escondido since 1999. Marie has a B.S. degree from St. John's University and has done graduate work at UCSD and SDSU.
